

MASTER PLANNING

The layout of the village gives priority to people over cars, with lively and intimate streets and a Village Square forming a focal point. The master plan also includes the amenities that every thriving community requires, with shops and facilities within a short distance of every home, and an architecturally stunning primary school and health centre at the heart of the village.

- Iverna Quay
- Marketing Suite & Show Apartment
- Existing Development
- Future Development

Please note the master plan is not to scale and is intended for illustrative purposes only. All landscaping shown is indicative and layouts are given as a guide only. Road and paving surface colours are indicative only.

* This is temporary as of October 2016 and is likely to remain as such for a few years. Please speak to a sales consultant for further information.
